

Dear parent/guardian,

Kurrun Primary School is looking forward to a great year of teaching and learning and would like to advise you of Kurrun Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This will make a huge difference to our school and the programs we can offer.

Within our school this support will allow us to provide a wider offering of subjects and special curriculum experiences. We assure our families all contributions go directly back into supporting student learning and experiences for all students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Gavan Hughes

Principal

Yours sincerely,

Sweta Patel

School Council President
