Complaints and concerns process for students

Kurrun Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Kurrun Primary School encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with your classroom teacher, PLT Leader, Assistant Principal or Principal. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carers complaints and concerns process is outlined further below. The parent/carers process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways you can raise a concern or complaint with us include:

- talking to a member of the student representative council about your concern and any suggestions you have for resolving it
- participating in our Attitudes to School Survey (for Grades 4-6).

Further information and resources to support students to raise issues or concerns are available at:

- [Report Racism Hotline](#) (call 1800 722 476) – this hotline enables students to report concerns relating to racism or religious discrimination

Complaints and concerns process for parents, carers and community members

Preparation for raising a concern or complaint

Kurrun Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and Kurrun Primary School (see “Further Information and Resources” section below).

Support person

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name and their relationship to you.

Raising a concern

Kurrun Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child’s teacher. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through Administration with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Timelines:** Kurrun Primary School will acknowledge receipt of your complaint within 2 school days, and will seek to resolve complaints within 15 school days. Depending on the complexity of the complaint, some complaints may take more than 15 school days. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Kurrun Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

3. **Information gathering:** Depending on the issues raised in the complaint, the Principal or Assistant Principal may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised. In some instances, the leadership team may reach out to subject matter experts for advice. The school may also reach out to the complainant for further information or to clarify concerns.
4. **Response:** Where possible, a resolution meeting will be arranged with the Assistant Principal or Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If, after the resolution meeting, we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

In some instances, the school in consultation with the region may suggest mediation, conciliation or other alternative methods of resolving the complaint based on the complexity and urgency of issues raised in the complaint.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Kurrun Primary School may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Kurrun Primary School may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

In some instances, the resolution may include actions that must be taken by both the school and the complainant.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the principal and you do not want to raise it directly with them, you may contact the department by phone on [1800 338 663](tel:1800338663), via the [Enquiries form](#) or by email at enquiries@education.vic.gov.au.

Kurrun Primary School may also refer a complaint to South Eastern Victoria Region if we believe that we have done all we can to address the complaint.

For more information about the Department's parent complaints process, including the role of the Regional Office, please see: [Make a complaint about your school](#)

Review of complaints

Kurrun Primary School will consider whether complaints relating to child safety identify any causes or systemic child safety risks, and take steps to address those risks and continuously improve our child safety practices.

- serious, substantial or unusual complaints
- complaints relating to the Child Information Sharing Scheme and Family Violence Information Sharing Scheme, to meet regulatory requirements - refer to [Child and Family Violence Information Sharing Schemes](#) for further information.
